

Job Description

Lighting (LX) No 1

Reports to Company Stage Manager, General Manager, Production Manager and Producers

Show

The world-renowned, Olivier nominated, immersive, smash hit, will once again open at its new home, LABYRINTH Waterloo. With even more twists and turns for 2022, *Alice's Adventures Underground* is a fusion of storytelling, music, circus, puppetry and spectacle.

LABYRINTH Waterloo will also be home to the children's show which will feature the same innovative, immersive style as *Alice's Adventures Underground* but will be aimed at a family audience

Purpose of Job

The LX No 1 is responsible for the maintenance and operation of lighting equipment as per the Lighting Designer's specification and is responsible for maintaining an accurate and appropriate lighting design of the production as specified by the Lighting Designer. They are responsible for the management and running of the Lighting Department.

Duties and Responsibilities Include

- Responsible for all aspects of the management, supervision and scheduling of members of the Lighting team.
- Work collaboratively with other departments to ensure the smooth running of the show.
- To ensure all lighting equipment is ready for each performance with daily checks completed to ensure equipment is in working order.
- To coordinate the supply of all equipment and consumables required to run the show within budget as approved by the Company Stage/General Manager. Keeping the petty cash documentation up to date.
- To keep lighting reference/cue sheets up to date.
- To operate the show for performances as instructed by the Lighting Designer.
- Attend rehearsal, technical, dress and understudy rehearsals as required.
- Deal with emergency repairs to equipment
- Contribute and adhere to risk assessments.
- Recognise where maintenance work needs to be carried out on equipment outside of the theatre and to bring this to the attention of the Production/General Manager so this may be scheduled to ensure no show delays.
- Ensure that work materials are kept in a tidy and secured manner.
- Ensure that security, safety and good housekeeping procedures for the department are properly carried out.
- Comply with the Manager's Health and Safety and other policies at all times.

Person Specification

The post-holder must have the following:

- Experience of ETC Eos Family lighting consoles
- Experience of StreamingACN and OSC networks.
- Experience with working with timecode
- Good knowledge of lighting systems and LED technology.
- Ability to troubleshoot for the department
- The ability to adapt work in accordance with performance requirements.
- The ability to work as part of a large team.
- Good communication skills.

Desirable

- Experience of working in live performance/theatre.
- Experience of working with Cogs Show Control systems.

Smoking Policy Please note that the usual place of work, Labyrinth Waterloo, is a no-smoking building.

Alcohol Policy All staff are expected to remain alcohol free during working hours and take personal responsibility for presenting themselves in a fit state for work i.e. alcohol free.
